

# McCain Walls® Top Trim Caps

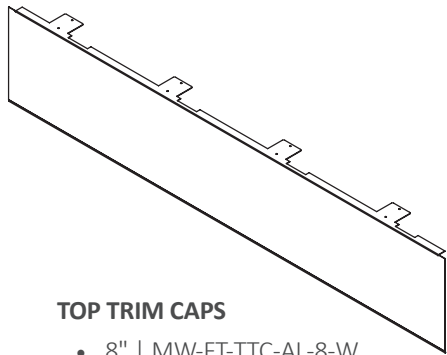

## Product Diagram

Top Trim Caps are designed to fill the irregular gaps between the top of a McCain Walls® system and an existing ceiling, creating a seamless finish.

Two top trim caps styles are available. The Top Trim Caps (TTC) attach to the ceiling and the face of the temporary walls system. The TTC is available in two standard heights: 8" and 18".

The Adjustable Top Trim Caps (TTCA) attach to the back of the walls system instead of the face and ceiling. Once the brackets are installed, the trim cap can be adjusted to the ceiling height. The TTCA is available in three adjustable heights: 9", 12", and 18".

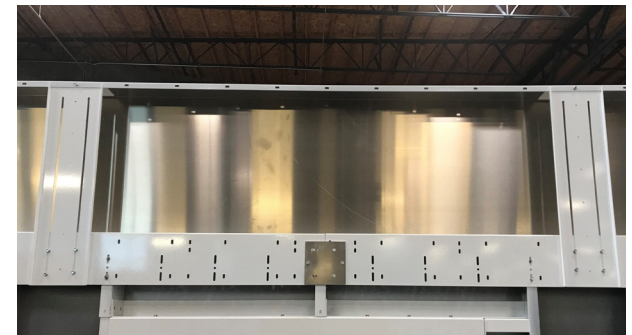

### TOP TRIM CAPS

- 8" | MW-FT-TTC-AL-8-W
- 18" | MW-FT-TTC-AL-18-W

### ADJUSTABLE TOP TRIM CAPS

- 9" | MW-FT-TTCA-AL-9-W
- 12" | MW-FT-TTCA-AL-12-W
- 18" | MW-FT-TTCA-AL-18-W
